| License             | This is an agreement between the customer (hereinafter also "license owner"), the designer, and Formula Type di Piero di Biase (hereinafter "Formula Type"). By purchasing, downloading, installing, using, or otherwise handling Formula Type's digital font software (hereinafter "Fonts"), both the purchaser and the license owner accept this agreement and acknowledge that they understand and abide by its terms. If you are not the end user, but act as a payment intermediary or purchaser of the Fonts on behalf of the end user, it is your responsibility that the end user accepts and complies with this exact EULA. The acquisition of a license grants you the right to use the specified fonts as part of the content designed, produced, and published by you, on certain types of media. By obtaining a license, you do not acquire the copyright to the design or any other part of the fonts, except for the non-exclusive, non-transferable right to use the fonts for the use cases specified in this agreement, according to the specifications provided by Formula Type. All other use cases other than those specified require an additional license. Complete EULA available at <a href="http://www.formulatype.com/information">www.formulatype.com/information</a>        |
